## **Catalogue of Investment Opportunities**

**People of Vision** I thank you for the privilege to share with you the vision that God has put into the hearts of the following leaders who started small, but with a God size vision. **God has blessed exponentially!** We invite you to join us to expand even further what God is doing to reach every person with the gospel of Jesus Christ through the reproduction of equipped witnessing disciples.

**Dynamic Churches International (DCI)** – Began 32 years ago with 5 staff. **Our passion** is to Empower the Church to fulfil the Great Commission. We do this by equipping Pastors and leaders who train their people to share the gospel of Jesus Christ and disciple those who receive Him. Mature disciples are transforming their communities to be healthy physically, emotionally, socially, educationally, environmentally, and spiritually. DCI has:

- Trained over 250,000 Pastors/leaders in 40 languages and 45 countries who have planted over 25,000 new Churches using our process.
- 8 of the 8 Regional Directors needed, 36 of the 54 National Directors needed in Africa and many Local DCI Trainers and reproduced Discovery Groups to 10+ generations of groups.
- Improved the quality of daily life for thousands of individuals and families through the Community Development Projects of our Love Africa International Foundation.

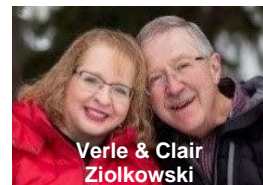

**Leadership Training Centre (LTC)** - DCI partner for over 20 years.

- They have orphanages, all levels of schools for children, a Bible School, a Church Planter Training School, and a Seminary.
- DCI has helped equip and support their Church Planters/DCI Trainers who plant multiple Disciple-Making Churches.
- LTC has seen thousands of people come to know Jesus Christ.
- They have expanded DCI throughout India, Nepal, Bhutan, Bangladesh, and Myanmar.

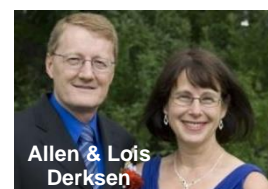

**Beautiful Feet Ministry (BFM)** - began in 2013. They have:

- Equipped hundreds of Pastors using DCI Training and Resources.
- Seen hundreds of people receive Christ through the Jesus Film.
- Started 100 new Churches and provided for their Church building.
- Shipped 9 containers to Zambia, Malawi and Mozambique containing: Donated goods of over 6 million meals in dehydrated vegetable mix, thousands of handmade dresses, feminine hygiene kits for school-age girls, sewing machines and fabric, baby blankets, school supplies, toys, and numerous other donated items.

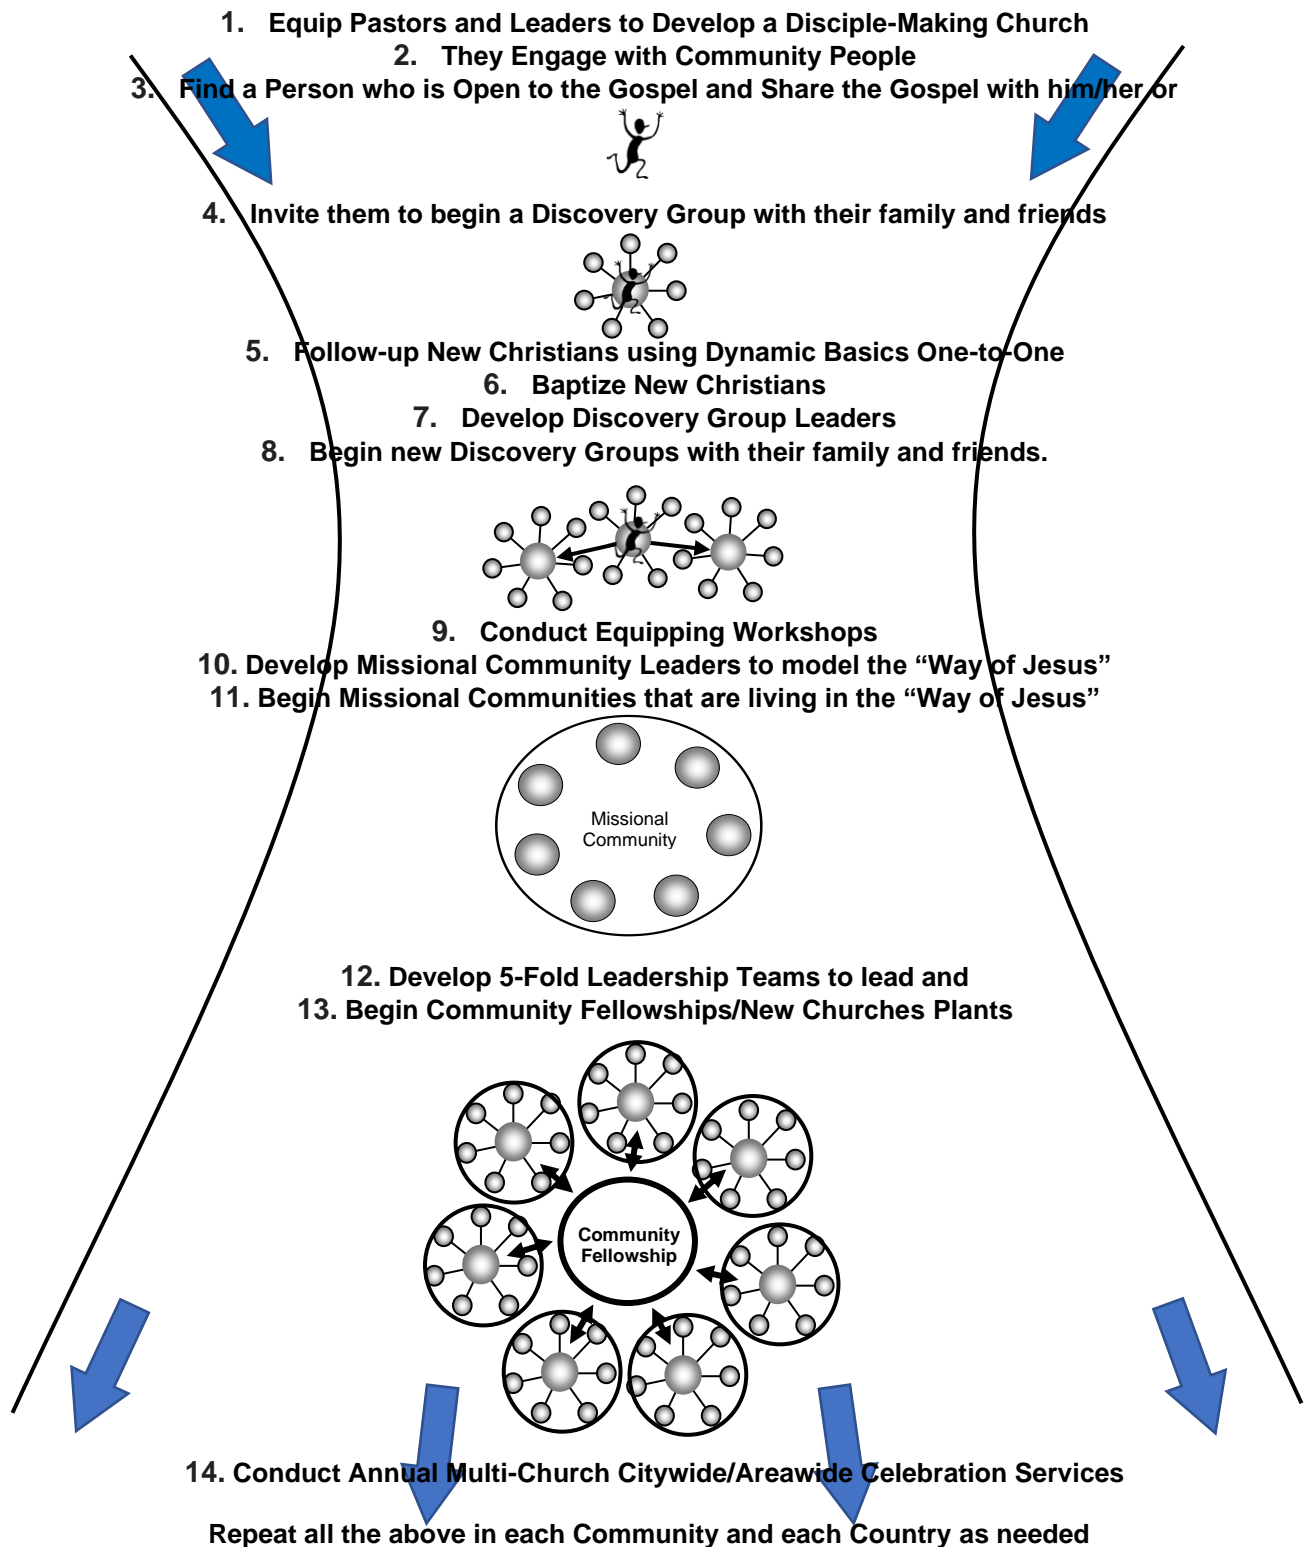

**Telemensahe – Social Media Ministry** - began in 1991 with four telephone land lines and a few hundred callers, to over 12,000 calls each day made on mobile phones and other social media platforms. They have reached over 80,000 people for the kingdom of Christ, and significantly impacted the lives of thousands in the Philippines, India, Bangladesh, Ethiopia, Ecuador, Eastern Europe, and the Middle East. **This ministry moves people through a series of calls:**

- From devotionals to gospel/salvation hotlines, to follow up, all in a non-threatening way.
- Their extremely high call-volume generates a steady stream of seekers and responders who are open to attend a DCI Discovery Group conducted by a local participating Church.
- They also minister to closed access countries with mediated Bibles and other Christian resources and are a compliment to DCI with a proven track record of Church planting.

The following explains our combined Overall Strategy.

Like a Venturi Tube (Jet Engine) we attract new people, develop them to maturity, equip them and send them out to reproduce many more disciples.
